

# 2021 Day of Action Report on Activities

## About Day of Action

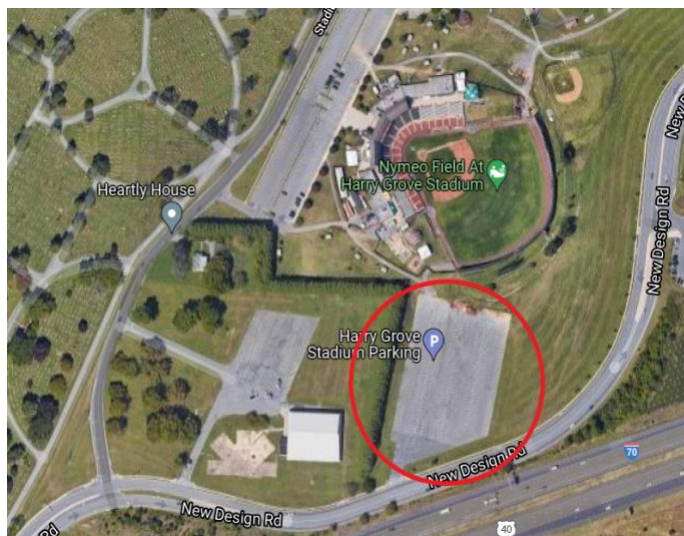

Day of Action is an annual volunteer event that brings the Frederick County community together to address the issues that matter the most. This year's Day of Action events will include: Kick-off bash for volunteers hosted by the Frederick Keys, volunteer opportunities to support local ALICE households, and a uniquely designed Day of Action t-shirt for each participant.

United Way of Frederick County will also be hosting a donation drop-off of urgently needed items to benefit several local nonprofits that are providing critical services for those most affected by COVID-19. See below for a schedule of events!

## Day of Action Location:

Location: Frederick Keys - Nymeo Field at Harry Grove Stadium  
**Secondary Parking Lot (rear/lower lot off of New Design Road and behind the right field wall)**
