INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
United Way of Frederick County, Incorporated

Opinion

We have audited the accompanying financial statements of United Way of Frederick County, Incorporated (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Frederick County, Incorporated as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Frederick County, Incorporated and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Frederick County, Incorporated's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Frederick County, Incorporated's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Frederick County, Incorporated's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

United Way of Frederick County, Incorporated
Notes to Financial Statements
June 30, 2022 and 2021

(1) NATURE OF ORGANIZATION

United Way of Frederick County, Incorporated (UWFC) is a non-profit organization formed to support community, charitable, benevolent, and educational undertakings that give aid, relief, and comfort primarily to the people of Frederick County, Maryland, by increasing general knowledge and promoting public interest in such undertakings, and by collecting and distributing money and services for these purposes. UWFC begins its annual campaign in the fall of each year, and continues it through the spring of the following year.

UWFC is a community impact organization and grants funds to organizations focused on measurable outcomes in the areas of education, income, and health. UWFC routinely recruits and engages volunteers and expert leaders to advance the common good through community forums, on-going summer service projects, and other service activities.

UWFC (a local United Way) is a member of United Way Worldwide (UWW). UWW is an international organization dedicated to leading the United Way movement. Local United Ways create long-lasting community change by addressing the underlying causes of the most significant local issues; specifically, education health, and income. Membership allows local United Ways to use the name and service marks owned by UWW, during the period of membership. Membership support calculations are based on a formula driven process. As a member, UWFC is subject to financial and membership accountability standards established by UWW.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The financial statements of UWFC have been prepared on the accrual basis of accounting. UWFC reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restrictions.

Net Assets Without Donor Restrictions - Net assets that are not subject to or are no longer subject to donor-imposed stipulations.

Net Assets with Donor Restrictions - Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Gains and losses on investments and other asset or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e. the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Contributions whose restrictions are satisfied in the same year as contributed are reported as net assets without donor restrictions.

United Way of Frederick County, Incorporated
Notes to Financial Statements
June 30, 2022 and 2021

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents – All short-term highly liquid investments with a maturity date within 90 days of purchase are considered cash equivalents.

Restricted Cash – Restricted cash – CCC includes cash maintained in a separate account for the Combined Charity Campaigns (see Note 11).

Pledges Receivable – UWFC uses the allowance method to determine uncollectible pledges and the allowance is based on prior years' experience. Pledges receivable that are expected to be collected in future years are recorded at the present value of their estimated cash flows.

Public Support – Contributions are recognized when the donor makes a promise (pledge) to give UWFC that is, in substance, unconditional. All contributions are considered to be available for the general programs of UWFC unless specifically restricted by the donor.

Grants – Revenue from unrestricted grants is recognized in the period received or pledged. Revenue from restricted grants is deemed to be earned and is recognized when UWFC has incurred expenditures in compliance with the specific restrictions. Such amounts received, but not earned, are reported as deferred revenue.

Designated Pledges – Some pledges to UWFC are donor-designated for UWFC member/partner agencies, other United Way agencies or Non-United Way agencies. Because UWFC's role consists of collecting, holding, and remitting these pledges to the designated organization without having variance power to transfer the assets to another beneficiary, such amounts are deducted from total support on the Statements of Activities and Changes in Net Assets.

UWFC is the third-party intermediary of the Unity Campaign, an organization that raises funds to benefit specified local nonprofit organizations. As pledges for the Unity Campaign are designated with no variance power, they will also be deducted from total support as described above.

Donated Services and In-Kind Contributions – Contributions of donated services that meet the definition for recognition under generally accepted accounting principles are recorded at their fair values in the period received. For the years ended June 30, 2022 and 2021, donated services and materials that advanced many of UWFC's programs totaled \$156,200 and \$79,658, respectively. Donated services from unpaid volunteers who assist in fundraising and special projects are not recognized in the Statements of Activities and Changes in Net Assets because the criteria for recognition under accounting standards have not been satisfied.

United Way of Frederick County, Incorporated
Notes to Financial Statements
June 30, 2022 and 2021

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Allocation of Expenses – UWFC’s operating costs have been allocated between program, fundraising and management and general expenses based on direct identification when possible, and allocation if a single expenditure benefits more than one program or function. The significant expenses that are allocated are salaries and benefits, rent, professional fees, computer expenses, and equipment rent and maintenance, all of which are allocated on the basis of estimates of time and effort.

Advertising – Advertising costs are expensed as incurred. Advertising costs were \$12,837 and \$2,055 for the years ended June 30, 2022 and 2021, respectively.

Use of Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recently Issued Accounting Standard - The Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, to improve transparency of contributed nonfinancial assets for not-for-profit entities through enhancements to presentation and disclosure. The ASU is applicable for the Organization’s fiscal year 2022 and has been retroactively applied to all years presented. The new standard requires that contributed nonfinancial assets are presented separately in the Statement of Activities and Changes in Net Assets. New disclosures are also required to disaggregate contributed nonfinancial assets by category type and other qualitative information about utilization, policies and valuation techniques.

(3) PLEDGES RECEIVABLE

Pledges receivable consist of the following as of June 30:

	<u>2022</u>	<u>2021</u>
Pledges receivable in less than one year	\$ 192,011	\$ 201,470
Pledges receivable in one to five years	47,500	25,000
	239,511	226,470
Less allowance for uncollectible pledges	(29,563)	(35,513)
Less discounts to net present value	(4,761)	(3,842)
Pledges receivable, net	<u>\$ 205,187</u>	<u>\$ 187,115</u>

Pledges receivable in more than one year are discounted at 5.5%. The allowance is calculated as 12% of the prior year’s annual campaign pledges and contributions.

(4) INVESTMENTS AND FAIR VALUE MEASUREMENT

Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The input levels used for valuing the assets and liabilities are not necessarily an indication of risk.

The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that UWFC has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation of methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Cash and equivalents, fixed income securities other than corporate bonds and equities – valued at the closing price reported on the active market on which the individual securities are traded.

Fixed income securities: corporate bonds – valued at the last reported sales price on the day of valuation.

Pledges receivable – valued at the amount management expects to collect from the outstanding balance.

(11) OTHER CAMPAIGNS

Combined Charity Campaigns (CCC)

UWFC is the Principal Combined Fund Organization for the following Combined Charity Campaigns: Frederick County Government Employees, The City of Frederick Employees, and Board of Education of Frederick County Employees. Donations are collected by UWFC for the Combined Charity Campaigns and are deposited in separate cash accounts and distributed quarterly to participating agencies and UWFC.

The gross pledges and expenses of these other campaigns are not reflected in these financial statements. (14) INCOME TAXES (continued)

UWFC previously adopted the recognition requirements for uncertain income tax positions as required by U.S. generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. UWFC believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on UWFC's financial condition, results of operations, or cash flows. Accordingly, UWFC has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at June 30, 2022 and 2021.

UWFC is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. UWFC believes it is no longer subject to U.S. Federal, state, and local income tax examinations for years prior to 2018.
